Zoning & FAR

The Hudson Yards area in Manhattan is governed by the Special Hudson Yards District zoning (NYC Zoning Resolution Article IX, Chapter 3). Instead of one uniform rule, the district is broken into multiple subdistricts (A–H) with different FAR limits and flexible height controls. This is why the skyline there ranges from mid-rise residential buildings to ~1,000 ft office towers.

Height: 221 ft
Total Area: 207,000 sf
Lot Area: 99,000 sf
FAR: 2
Base Height: 70'
